Welcome new 4-H members and leaders!

Do you remember what it was like to be a new 4-H member?

“How do we find out when project meetings take place?”

“We went through introductions but it would be great to go through the names again since it’s been awhile since we last met.”

“What exactly is a record book?”

“What did the club leader mean when she mentioned shields and achievement points?”

“If we did not sign up for a project is it too late?”

If you are a new member and have questions or concerns about 4-H, the best advice you can get is to speak up and ask your questions. If your club is not already doing this, consider asking an experienced 4-H family to adopt a new 4-H family so they have someone in the club who is looking out for them. Older 4-H members, please review this list of new members in your club and make a point of asking if they have any questions and extending another welcome if you think it would be helpful. You can also call the 4-H office to ask clarifying questions at 373-6104.

4-H Cultural Arts Festival

Saturday, April 26—Drummond School

REGISTRATION FORMS ARE AT THE END OF THIS NEWSLETTER

It's the time of year we've all been waiting for — spring and the 4-H Cultural Arts Festival! Let's get those performances and art pieces ready! Remember, any 4-H member can participate—you do not need to be enrolled in any particular project.

- **Stage performances will begin at 9:30 a.m.**
- Arts & Crafts and Photography will be displayed and need to be brought in between **9:00 and 9:30 am.**
- ◆ The Ino Valley and Drummond Explorers clubs will host and provide lunch for a small cost.
- ◆ Registrations are due April 16

Registration forms and entry rules are to be found at the end of this newsletter.

Again this year we are providing these directly to you as a 4-H family rather than asking club leaders to coordinate the registrations.

If you are doing a group project (such as a play), designate one person to send the info to us. Please be sure to give us complete information on your registration forms. Give us your best estimate of length of performances and your time preferences. We will do our best to honor these.

Legos category again this year:

If your preferred outlet for creativity is building with Legos, here's a place for you to share your creations! There will be two categories: built from a kit and original design. Register these on the Arts and Crafts page.

Show us your talent!

Arts & Crafts and Photography members:

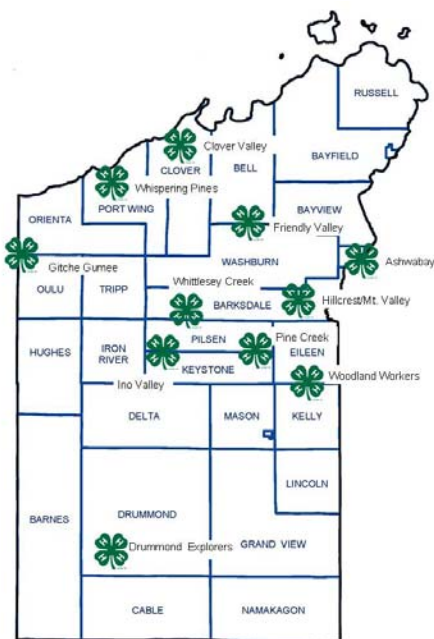

- One entry per numbered category, please
- Don't forget to bring 3 x 5 cards for each exhibit that has your name, grade, club and title of piece. This will help a lot to speed up set up and judging. You are encouraged to speak with the judge about your entries, so don't hesitate to introduce yourself and hang around while judging is taking place.

Registrations are due April 15.

We hope to see YOU at the Festival!

Club Corner

Gitchie Gumee February 5th, 2014

First of all, if you didn't come to this meeting, my sympathies because you missed a perfectly good 4-H meeting. The next one, however, is March 5th, and I really hope you can make it to that one. We missed everyone who didn't come!

Not a lot happened, really. If we get 20+ people to go to World of Wheels club trip, we can get a discount on roller skates and we'll only have to pay \$6! That's pretty cool! We should get a LOT of people to sign up so we can DEFINITELY get roller skates for \$6 and have a ton of fun with the club.

We talked a little about the Mojakka and sign-up sheets were passed around. If you missed out on that, your best bet would probably be to see what spots are left either to bring food or to work at the dinner at our next meeting. Remember: the next meeting is March 5th.

we were also kindly reminded that since the regular market sale meeting was cancelled, our new date for the monthly meeting is March 1st. Got that? Mark it down, write it on your hand, head, toenail, leave yourself a note. Whatever it takes, don't forget that date if you're in market sale.

After all of the different announcements were made, Micah Tuura (please let me be spelling that right) gave us a lovely little run-down of his weekend at Winter Camp. He said that he'd had a really great time, besides when his cabin burned down, though he said it all worked out and they stole some extra mattresses from nearby cabins and they slept in the main lodge. Glad you had a good time, Micah! —submitted by Mena Lindquist, club reporter

Friendly Valley

Once every 4H Year, The Friendly Valley Club sets aside one meeting for everyone to do their demonstrations. Our all club demonstration night was on March 3rd.

First to give their demonstrations were Jordan and Garrett Rusch. They taught us how to bottle feed baby goats-with real baby goats! Next was Jack Jackson who made origami fortune tellers, and he told the fortunes of two of our members. After Jack, Paris Grande explained how she made a wooden horse using a scroll saw. Our most dramatic demonstration was given by Jas Johnson who set steel wool on fire using a 9 volt battery. This could be used for starting a fire in the wilderness. Our paleontologist, Seth Johnson, showed us how to dig for fossils using a tote full of dirt and a hidden deer skull. Katie See, our

personal chef, made our mouths water over her delicious carmel corn. Elizabeth Johnson kept our sweet tooth happy with her demonstration on pretzel cookies. Claire Grande made us some wonderful smelling perfume. Hair stylist Anna Nutt made Kelsie look fashionable with a fishtail braid. Next Kelsie Shields talked about her involvement with Operation Christmas Child, and she showed us how we could pack our own Christmas boxes for a needy child. Last, but not least, Connor Kovach gave safety tips on welding and explained the techniques used to create his metal cow. We look forward to seeing what fantastic demonstrations we can come up with for next year.

Sophie Kovach*

4-H CANSKI Wisconsin High School Nordic Ski Champions

The 4-H Chequamegon Area Nordic Ski Team (**4-H CANSKI**) made up of skiers from Ashland and Washburn High Schools won the Wisconsin High School Nordic Ski Championships decisively by beating perennial state powerhouses Lakeland, Madison, and Ashwaubenon to take the state title.

Cold temperatures at the Telemark trails didn't do much to cool the skiers on Saturday as the boys finished seven points in the lead after the skate race. Senior **Ian Liphart** led the team with a third-place overall in 13:06, behind winner Dan Delestry of Chippewa Valley Nordic (12:54), and Lakeland's Mack Fitzpatrick (13:00) on the technically difficult 5K course.

Kevin Geisen and **Colin Liphart** sealed the deal for 4-H CANSKI with eighth and 13th place finishes to put the team in first place. **Matt Kubik** and **Jordan Pearce** rounded out the top 5 positions for the CANSKI team.

"Predictions for the race didn't even put our boys in the top three, despite the fact that we won the Northern Conference championships," said Coach Doug Liphart. "That left our boys pretty fired up and a couple of teams on the hunt for us coming into Sunday's classic race."

Sunday morning brought a sub-zero start and an inspired performance from the CANSKI squad, who are strong in the classic technique. **Ian Liphart** and Mack Fitzpatrick hunted down Dan Delestry in the rolling hills and hairpin turns on the first half of the course. Delestry responded with a surge late in the course on a steep 300-meter hill, and succumbed to a blistering sprint by Fitzpatrick at the finish. Fitzpatrick won with a 13:44, Delestry was second in 13:48, and Liphart third in the state with a 13:57.

According to coach Doug Liphart, "Ian had a great race and did his job today," Coach Liphart said. "I was getting nervous about our second and third skiers because it was a dogfight out there, but **Kevin Geisen** picked up a place and **Colin Liphart** picked two skiers off in what I can only describe as incredibly inspired performances. Fourth and fifth skiers **Matt Kubik** and **Jordan Pearce** did a great job as displacers for us."

The boys widened their lead over Lakeland to win by 15 points, one of the wider margins in recent years. 4-H CANSKI finished with 21 points, Lakeland with 36 and Madison with 46 in a field of 20 teams. Also skiing for the CANSKI boys were **Cody Larson**, **Reed Edmunds** and **Nick Smith**.

Morgan Hinson led the 4-H CANSKI girls on Saturday in the 5K skate race with a 20:22, good for 42nd place, and placed 41st in the classic race. Teammate **Ketzel Levens** skied second for the CANSKI team on Saturday (44th, 20:26) and was the team's top scorer in the classic picking up an impressive 24 places to finish 20th (19:43). **Anna Nutt** was 53rd in the skate race and 66th in the classic. German exchange student **Anna Haag** rounded out the

Left to Right: Doug Liphart, Kevin Giessen, Jordan Pearce, Ian Liphart, Colin Liphart, Nick Smith, Matthew Kubik and Reed Edmunds.

4-H CANSKI girls' squad with a 75th on Saturday, and 48th on Sunday, finishing her first season of cross country ski racing.

"The girls demonstrated the technique that we've been working hard on all season," said Coach Beth Reed. "They skied efficiently and tactically smart races. This young squad did a great job this weekend." The 4-H CANSKI girls finished 10th in a field of 20 teams. Iola won the state championships with 20 points, Lakeland was second with 22, and Peak Nordic out of Waukesha had 24 points for third.

Middle school Nordic championships were held at the same venue.

4-H CANSKI's **Derek Kozak** was fourth in the skate and second in classic. Teammates **Dalton Collins** and **Eric VanHorn** both cracked the top 10. **Anna Edmunds** finished 10th overall on the girls' side in middle school and **Pooja Geisen** was 35th.

"To have three boys in the top 10 is awesome," said Coach Matt Edmunds. "Their addition and that of Anna Edmunds to the high school team next year bodes well for the future of skiing in our area. I've got more young skiers coming up the pipeline to step into their places at the middle school level as well."

Rounding out the Middle School boys team with excellent performances on the 3K course were **Ryan Meeker** and **Bradley Kubik**.

The weekend was a successful and historic one for the 10 year old 4HCANSKI program as the skiers demonstrated their talent and dedication with a state title and their promise for the future in young area skiers.

Cultural Arts Festival Rules 2014
