Dear 4-H Families:

October- November 2018

School's now well underway and it's time to start thinking about the next 4-H Year. Information about Re-enrollment and new enrollment is inside the newsletter on page 10. As you start thinking about the upcoming 4-H year, take a moment to talk about the 4-H program with friends and neighbors and invite them to join your club.

Word of mouth is the best way to communicate the benefits of the 4-H program.

Instead of just highlighting 4-H, the Ashland and Bayfield County UW Extension Educators are teaming up to showcase a variety of educational programs available to the community by hosting UW Extension week. Check out the variety of programs throughout the week on page 13. There are several programs that will focus on parenting and a wide variety of other topics. On Tuesday, Oct 10th at the Great Lakes Visitor Center the issue of ***Kids and Screen: What can parents do?*** will be presented and discussed. On Wednesday at WITC there will be a panel discussion featuring admission counselors from UW Superior, Northland College and WITC called ***Demystifying Post Secondary Education: How to find the right academic and financial fit.***

If you have questions about 4-H projects, available curriculum and resources that are available to help you as 4-H project leaders, please do not hesitate to call or email us at the 4-H office.

Thank You to all the adults in the Bayfield County 4-H community that help support the positive development of Youth in our community.

This is your opportunity to promote 4-H in your area, either as a club or individually. Again this year we have a cool little **invitation card** that 4H members can take to school or other places and give to a friend inviting them to their club's next meeting. Let us know if you'd like some of these printed for you. Thanks Rebecca and Seth Johnson for this cool idea!
Let's see how many new members we can find to join our 4H family!

A big THANKS to:

Verne Gilles for his dedication and many hours of volunteer service before, during, and after the fair, which include attending fair meetings, assistance to the 4H Food Booth manager, helping with needs that arise during the fair, and countless other small and not so small things he does throughout the year to help make Bayfield County's the best fair in the north!

Ambassadors **McKenzie Tuura, Emilee Manley, Drew Tuttle, Aaron**

Folsom, Evelyn Sanda, Sophie Zangri and Seth Johnson for helping organize and present the 4H Awards on Sunday, and to **Kim Pearce**, Awards Superintendent.

Special thanks to **Jim Crandall** and the **Kreinbring family** for their hours of work at the fair to paint and spruce up the inside of the Exhibit Hall and Verne Gilles Garden Building. Jim continues to look for ways to improve the Harry Lowe Exhibit Hall over the next five years on behalf of the Fair Committee.

Cloverbud Judging at the Fair

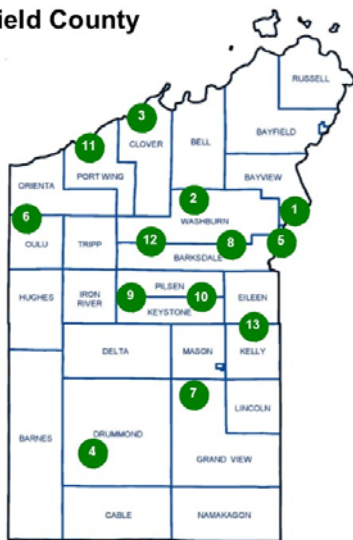

On Friday of the Fair our youngest 4H members participated in face to face judging with some of our older 4H members. Thanks to our judges **Emily Weiss, Lucy Landwehr, Drew Tuttle, Emilee Manley, Seth Johnson, Aaron Folsom, and Paige Tuura**—you did a great job helping the kids show and tell about the fun things they did, made, and learned in 4H this year.

Whittlesey Creek 4H Club

JUNE 2018—Our club met at Kreher park for our basic meeting and ice cream party. Our club won the Cedar Crest ice cream contest and they donated the ice cream for our party. During our meeting we talked about the horse bowl state competition. We elected a new secretary because are old secretary is moving away. We talked about the fourth of July float. Our club decided to pay for half the fair entry fees. Jemma Christenson did her speech for the club that she presented at horse bowl state.

Submitted by Jemma Christenson.

Gitche Gumee Club

In July we had a brief meeting, finalizing the food booth shifts and club booth decorating. A few final project meetings were held before the fair. In August we don't hold a meeting because of the fair. During the fair everyone did very good on their projects and had a ton of fun despite the very hot weather. It was a great year! Our next meeting will be held on September 12. We will have officer elections, turn in record books and select achievement discs.

Pine Creek 4-H Club

MAY 2018—Pine Creek had a painting night during their May Meeting, they were instructed by Lindsey Stadler and had an amazing night. We were so impressed by all the talents of our members and how each painting turned out!

▲ Pine Creek 4-H Club - painting night.

Great Divide 4-H Club

The Great Divide 4-H Club has had an extremely busy summer! 4-H members have provided approximately 200-300 pounds of donated vegetables per week to area shelters and locals in need. We also had a fun day at Drummond Lake where children kayaked, played volleyball and ate amazing food!

Our fall season is going to be just as amazing! We look forward to attending the predator (raptors, snakes, etc.) presentation sponsored by the Friends of the Lincoln Community Forest. It will be held at the Grand View Town Hall at 1:00 p.m. on September 29th. Shortly thereafter, we will head to the Town of Eileen for the pumpkin and sunflower contest. On October 12th, we plan to assist Ino Valley at Whistlestop. On Saturday, October 20th from 11 a.m. to 2 p.m. at the Grand View Town Hall, we will hold our Fall Festival Craft Day and Intro to 4-H for all interested parties. Flyers will be distributed at Drummond School in the near future in hopes to spark interest in 4-H and raise awareness to all that 4-H stands for.

Club Corner

Friendly Valley 4-H Club

July and August were busy months for the Friendly Valley 4-H Club. We toured an Alpaca Farm. We learned what an alpaca is and it is similar to a llama. They originated in Peru. People use alpacas for their meat and wool. The meat is very lean and the wool is warm.

Also in July, the Club went to Copper Falls near Mellen. At Copper Falls, we learned about Monarch Caterpillars and were able to have some. Monarch caterpillars eat milkweed and turn into butterflies. Two of my caterpillars became butterflies. Also at Copper Falls, we went on a hike around the waterfalls and some people went swimming.

In July, many of our Club members went 4-H Day Camp. Some of the favorite memories from this year were tug-of-war, cabin groups, and the camp counselors.

Another thing we did in July was plan our fair booth. Our theme was Discovering Outdoors. Our fair booth showed what we did this year. We did many things outside. Our fair booth received 1st place.

In August, we were busy with the fair. Most of the members exhibited and helped at the 4-H Food Booth. After fair, we had the opportunity to show our projects to our leaders.

Another important thing we did in August was donate money to the Washburn Public Library for books and youth activities.

For the rest of the month, we worked on our 4-H Record Books.

4-H Volunteer Impact Study – You May Be Contacted

What you do makes a difference! We are excited to share that our state will be participating in 4-H Volunteer Impact Study of volunteers in the North Central Region.

This survey is being conducted as a part of 12 state effort to document the impact of volunteering.

It will focus on three areas:

- the personal benefits of your volunteer experience;
- the impact you have on the organization by volunteering; and
- how your volunteer efforts contribute to your community in which you live and work.

A random sample of volunteers of 1000 volunteers from each state will be surveyed. This study will be conducted through an electronic survey. If you are selected you will receive an e-mail to let you know you have been selected to participate.

You may be picked!!! If you are, please respond. We want to hear from you and learn from your volunteer experiences.

Your comments will be used to quantify the personal, organizational and public impacts of volunteers involved with 4-H Youth Development Programs in our twelve state region.

Your impact is great and we want to hear from you!!!

Tractor Supply Company is Looking for Local 4-H Clubs to Join them for the Fall Paper Clover Campaign

The Fall Tractor Supply Company Paper Clover Campaign is right around the corner, starting October 3rd and running through October 14th. Add \$1 at checkout, and your money supports leadership activities for Wisconsin 4-Hers.

The Wisconsin 4-H Foundation is offering another way for clubs to participate: if your club partners with your local TSC to promote 4-H at the store, the Foundation will give your club \$50. TSC stores with 4-H clubs' participation have better sales, and, of course, better sales

means more money that can be used to help fund leadership programs throughout the state.

There are over 50 TSC stores in Wisconsin, so even if there is not a TSC in your county, you can still partner with the TSC that is closest for you. Remember, though, the \$50 is awarded to only one club per store.

If you are interested, please contact Joanne at the Wisconsin 4-H Foundation at Joanne@Wis4HFoundation.org or (608) 262-1597. The Foundation can provide contact information for the store in your area, then your club and the store can work together to plan your event. Keep in mind that this opportunity is first-come, first-served (one club per store).

4-H Clubs to Create Newest Cedar Crest Ice Cream Flavor

Posted on June 19, 2018 by [joanne.wolan](#)

WISCONSIN 4-H FOUNDATION

Madison, WI [June 15, 2018] — **Cedar Crest Ice Cream**, Cedarburg, Wisconsin, and the **Wisconsin 4-H Foundation** have teamed up again to present the “Cedar Crest Ice Cream 4-H Flavor Contest” for Wisconsin 4-H clubs. More than 1600 clubs are eligible to create and submit a flavor ‘recipe’ with the top clubs named as finalists, and the top flavor produced for summer 2019.

According to Brenda Scheider, Director of the Wisconsin 4-H Foundation, the contest is a great opportunity for 4-H youth to work together to develop and name their flavor. “The most exciting part of the contest is the winning flavor will be available through Cedar Crest beginning next June.” The annual contest has already yielded popular flavors including Deep Woods, created by the Badger Boosters 4-H Club, West Bend and Deep Space, developed by the Baraboo Valley 4-H Club.

Bayfield County’s very own Whittlesey Creek 4-H Club created the 2017 winning entry named Superior Shores, which is vanilla ice cream with chocolate rocks and a wave of blueberry and raspberry fruit swirl.

The winning flavors are introduced during June Dairy Month and available throughout the summer at ice cream parlors that serve Cedar Crest Ice Cream.

A panel of ice cream experts chosen by Cedar Crest judges the entries. The company manufactures more than 80 flavors of ice cream, along with frozen custard, gelato and sherbet at its Manitowoc, Wisconsin, plant, and distributes products in five states. Many of the flavors now produced by Cedar Crest, including Shipwreck, are a result of the contest.

A link for more information and the entry form are available at www.Wis4HFoundation.org. Entries are due by October 1, 2018. The winner will be announced in December 2018.

What is a 4-H Project?

A 4-H project is simply a topic that you want to learn more about during the year. There are projects on just about any topic you would like to study and explore, from art to woodworking, from computers to rabbits, from clothing to small engines.

So how do you know what projects are available to you? See the **Bayfield County 4H Project and Enrollment Guide** for a complete list and descriptions of the projects. When you go to 4HOnline to enroll, the projects offered in Bayfield County will be the ones that appear as your choices.

Another great resource are the project pages on the Wisconsin 4-H Web Site at <https://4h.uwex.edu/>. On these pages, you'll find descriptions for statewide projects, Internet resources and links of interest, county fair exhibit suggestions, state specialist contacts, and other suggested 4-H resources.

And remember, you'll learn more than "subject matter" as you complete your projects. You'll learn many "life" skills that you'll use every day, such as, understanding yourself, communicating better, solving problems, making decisions, and working with others. Have a great 4-H year!

Wisconsin Cloverbud Lessons Available on line

Nine new activity plans designed specifically for Cloverbuds – youth in grades Kindergarten to 2nd grade – have been released on the Wisconsin 4-H Youth Development web page. Involve 4-H and community youth in activities that are hands-on, fun, and sometimes a little messy.

These nine lessons have been developed with Cloverbuds in mind, letting them explore science, theater, service, their senses and their own identities throughout the seasons. Each lesson is clearly laid out to get youth thinking, involve them in a hands-on activity and help them deepen their understanding through processing questions. Each lesson also comes with a family letter – available in both English and Spanish – which helps parents and caregivers continue the learning at home.

To download the activities and letters, visit <https://fyi.uwex.edu/wi4hcloverbuds/activity-plans/> and click the "Unlock Activities" button. After a short survey, you will gain access to lessons from each of two years (nine activities each year), family letters in two languages, and Cloverbud Leader Resources. If you would prefer the lesson plans printed out for you please contact the UW Extension office at 715-373-6104 or email Ian or Donna.

Extension Week—October 7-13, 2018

Connecting the U to YOU! - Programming Spotlight

Ever wonder what you are going to do after high school?

UW-Extension is hosting a facilitated panel discussion about **higher education options** on October 10th from 6-7:30pm. Admission specialists from **UW Superior**, **Wisconsin Indianhead Technical College** and **Northland College** will provide their perspective and questions students need to ask while exploring *which post high school option is the best fit for your goals and budget, and how to access financial aid*. The program will be moderated by **College Admissions Consultant, Jim Miller** and leave ample time for students and parents to ask questions. This program is for high school students and their parents or guardians, school guidance counselors, and anyone else interested in understanding the options for post-secondary education.

Program: “Demystifying Post-Secondary Education: How to find the Right Academic and Financial Fit”

Date: October 10th **Time:** 6 PM-7:30 PM

Location: WITC – Ashland Campus

Coordinators: Ashland & Bayfield County
UW-Extension,
4-H & Youth Development Educators:

Ian Meeker, ian.meeker@ces.uwex.edu,
Doug Liphart, doug.liphart@ces.uwex.edu

Kids & Screen Time: What Can Parents Do?

Tuesday, October 9th 6-7:30pm

Great Lakes Visitor Center

“A recent Pew Research study indicates that 65% of parents worry to some extent that their teens spend too much screen time and one-third of the parents say it worries them a lot.”

Have you noticed an increase in the amount of time both youth and adults dedicate to various screen technologies? Did you know that social media is designed to create a dependence on its use? Join UW Extension Youth Development Educators, Doug Liphart and Ian Meeker and Ashland High School Alternative Education teacher, Dan Kovach, to learn about what current research suggests about how screen time effects brain development. The presentation will conclude with a facilitated discussion around strategies parents can use to reduce the amount of screen time their children experience during their day.

Youth Rock Climbing at Bob's Rock, (near Grand View) Sunday, October 7th ~ 1:00pm - 6:00pm

This 4-H Outdoor Adventure activity is for all local youth in 4th grade—12th grade. Meet and return to the Ashland County Courthouse—some transportation is available.

Limit 12 participants, Registration is required, call the Ashland County UW-Extension office at 715-682-7017.

An Open Invitation to learn more about Horses

Inviting any 4H members interested in learning more about horses to join the Horse Bowl and Hippology group!

In this group we have fun learning about all aspects of horses -anatomy, feeding/nutrition, colors/breeds, history, equipment and different types of riding. (no horse needed!)

If a member is interested, this group competes at the State Horse Bowl/Hippology/Speech/Demonstration Contest in May, Area Animal Science Days in June, and at the 4H State Horse Expo in September. We also attend events put on by other counties.

There are many different ways to test your horse knowledge, or your skills at creating educational and artistic horse related articles. No one needs to compete to be part of the group!

We have traditionally met 3-4 times a month Oct-June. This year we would like to include members who have a hard time attending meetings that often, by providing materials to study at home. We will still have regular meetings, but if one can't attend, studying and creating can be done at home. Hopefully, we can then try to get everyone together for a big meeting every 6-8 weeks.

There will be an informational/get together meeting on:
**Friday, October 19th, from 6-7 pm. at the Beeksma's,
70485 Cherryville Rd., Ashland, WI. 54806**

Any questions, please call 715-682-8333 or email

Re-enrolling for the 2018-19 4-H Year

As begun in 2014, all 4H enrollments will continue to be done online at <https://wi.4honline.com/>. Step by step instructions for updating your family's information in 4HOnline will be provided to you by your club leader in the **Bayfield County 4H Enrollment and Project Guide**. Re-enrollment is easier because all your information transfers from year to year.

Selecting Projects:

Refer to the Project Guide to choose your projects. Grade levels are suggested for most (but not all) units. A 4-H member should limit the number of projects to what he or she can reasonably accomplish in a year. *It's better to do a really good job on one or two projects than a half way job on a bunch of projects.*

Need Literature?

Many good, up-to-date printed resources are available to help you learn about your project.

Special offer while supplies last:

All 4H Literature will be provided FREE to enrolled members and leaders. We have a large amount in stock and want to get it into our members' hands!

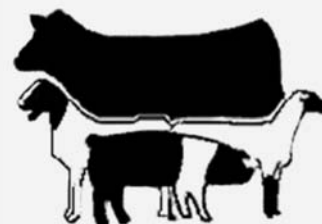

Inside the Project Selection Guide you will find a **Family Literature**

Order form to list the names of the pieces you want to order. Please use this form to order literature. You may turn it into your club leader or directly to the 4H office.

Please do not request literature through 4Honline because their titles/prices do not coincide with what we offer in Bayfield County.

Attention Market Sale Project Members!

We have added Market Sale to the Project List you will find on 4HOnline. When re-enrolling, you now may add Beef Market Sale, Swine Market Sale, Sheep Market Sale, or Meat Goat Market Sale to your project list.

Pumpkin-Sunflower Contest See you there!

Are your pumpkins HUGE yet? How about those "Mammoth" sunflowers? The official weigh-in and measuring for these contests will take place **on Sat. Oct. 6 at 3 pm**

at the Eileen Town Hall (formerly AERC)

Ribbons will be awarded in each of the 5 categories:

**Cloverbuds Grades 3-5 Grades 6-9
 Grades 10-13 Adults**

***Wishing you warm sunny final days to
finish up the growing season!***

4-H PLEDGE

I pledge my **HEAD** to clearer thinking,
my **HEART** to greater loyalty,
my **HANDS** to larger service,
and my **HEALTH** to better living,
for my club, my community,
my country, and my world.

Silent Auction

It's time to start setting aside those no longer used items that someone else might just love to have ... and help your Leaders Association raise some money. Items that 4-Hers might use in **project work** and **new or gently used items** are especially welcome. Here are some things that have sold well in the past:

- Baked goods, jams & jellies
- Supplies needed for a 4-H project
- Things for kids to bid on
- Themed Baskets

The Awards Dinner is always a good time to visit 4-H friends and families. We have a Silent Auction that anyone can bid on and all the funds go back to the 4-H Leaders Association. Everyone can donate items to bid on, and some items even have bidding wars! Items that go well are **themed baskets**, (like cooking and kitchen supplies, pet goodie baskets, sweets baskets, craft supplies, etc...) The list of items included are written on a card and put on the Baskets. It can be any items donated. Clubs can get together and make one basket to auction off, or donate single items also. Let's see what fun items we can get together for this year's Auction!

Someone is needed to coordinate the Silent Auction—Let us know if this is something you can do!

WANTED!!

Wisconsin 4-H International Exchange

WI 4-H International Programs:

Emphasize the value of 4-H and similar programs throughout the world.

Give 4-H'ers the chance for a cross cultural experience they will always treasure.

Provide the opportunity to know and appreciate another people and their culture.

Help individuals better understand themselves and their own culture.

Develop the potential of the world's most valuable resource: *its young people.*

EXCHANGE PROGRAMS

WI 4-H International offers exchange programs to **Costa Rica, Finland, Japan, Korea, and Norway!**

Wisconsin 4-H youth between the ages of **12-18** have an amazing opportunity to stay with and become a part of a host family, experiencing daily life and culture firsthand for one month in the summer.

Delegates travel in groups with a chaperone to their host county where they participate in orientation and cultural activities before being welcomed by their host families

While abroad, 4-H'ers learn about their host country's culture while sharing about their own. At the end of the month, delegates return home with friendships and

COST Estimated at \$2,800 - \$5,200

Participants are responsible for all costs WI 4-H requires that at least \$1,000 be raised through individual fundraising with a local International Programs Committee; the participant pays the balance.

An optional 4-week intensive Nihongo (Japanese language) program can be added to Japan exchanges.

HOSTING

Are you ready to welcome the world into your home???

This is a unique opportunity for all 4-H families to host a visitor from another country- urban, suburban, and rural!

During the summer, WI 4-H families welcome 12-17 year old Argentine, Costa Rican, Finnish, Japanese, Korean, Mexican, and Norwegian delegates into their homes for one month (July-August).

Families learn about another culture while sharing their own lives through meals, events, holidays, games, chores and more.

Opportunities also exist for hosting Eurasian or Japanese students for the school year. Students between the ages of 15-18 study in Wisconsin high schools while living with a host family for ten months to improve their English, learn about American culture, and become part of an American family and community.

APPLICATIONS

Applications for **exchange** are due **December 1st.**

Hosting applications are due in late winter/early spring.
