## PERMANENT PRESCRIPTION DRUG DROP BOX LOCATIONS

Brought to you by:  
**Bayfield County Health Department**

### Our Vision:

Healthy people, communities, and environment for a superior Bayfield County

Med Return drop boxes are available for residents to safely and securely drop off unused medications throughout Ashland, Bayfield and Iron Counties. The Med Return drop box is a **green** bin. It is a safe, effective, and sustainable way to collect unwanted or expired household prescriptions, over-the-counter medications, and other unused medicines.

Funding for the Med Return Drop Box program in Bayfield County came from the Prescription Drug Abuse Prevention Grant through Security Health Plan in partnership with Bayfield County Health Department and the Have You Had Enough? Coalition.
