EXPLORING DECORATIVE GLAZING TECHNIQUES IN CERAMICS

Project: Ceramics **Ages:** 8-18 **Dates:** Tuesdays October 4, 11, & 18 **Cost:** \$5-15+

Join us for this 3 part series in ceramic glazing technique! You will have the option to choose from a variety of bisques and greenware and will then paint and glaze your piece using a variety of materials and techniques. Everyone who completes this course will be able to go home with a beautiful and colorful decorative ceramic piece. All materials and supplies provided.

Time: 5-6:30pm

Location: Glory's Basement Workshop, Ino

Instructor: 4-H Leader Glory Bizub

Max Participants: 6

4-H HORSE PROJECT OPPORTUNITIES

Project: Horse & Horseless Horse **Ages:** 8-18 **Date:** Thursday October 6th **Cost:** free

Do you love horses? Come learn from 4-H Horse Leader Christine & 4-H Youth leader Avana about what the Bayfield County 4-H Horse Project & Horseless Horse Project has to offer. Learn about how you can take part in the project even if you don't own a horse, there are so many fun and educational opportunities available! You'll also have the chance to interact with horses and help with grooming.

Time: 4:30-6:30pm

Location: Instructor's Farm, Barksdale

Instructors: Christine & Avana Beeksma **Max Participants:** 12

DRAWING FACES

Project: Drawing **Ages:** 12-18 **Date:** Thursday October 13th **Cost:** free

Are you making funny faces? Are you afraid they're going to get stuck that way? In this 2 hour session taught by local artist and teacher Kitty Crawford, students will learn how to draw facial features in correct proportion. We will go over simple measurements & tips and tricks to create a more realistic drawing. Students should bring a pencil and some paper or a sketchbook to draw and practice along with the instructor.

Time: 5-7pm

Location: Washburn Cultural Center

Instructor: Kitty Crawford, local artist

Max Participants: 15

BEGINNING POTTERY TECHNIQUES

Project: Pottery **Ages:** 6-10 **Date:** Wednesday October 19th **Cost:** \$10

Join instructor Michael McKenna, owner of Smiling Sun Pottery in playing and experimenting with clay. You will learn coil, pinch, and slab hand-building techniques and will explore different ways to pattern, imprint, and create different design elements using natural materials. Projects created during this workshop will be fired and a second class will be scheduled where students will glaze and finish their projects.

Time: 4:30-6:30pm

Location: Smiling Sun Studio, Washburn

Instructor: Michael McKenna, local artist

Max Participants: 6

EXPERIMENTING WITH WATERCOLOURS

Project: Painting **Ages:** 12-18 **Date:** Thursday October 20th **Cost:** \$5

In this course we will get creative with watercolor technique. Students will choose a pre-drawn subject and will learn a variety of wet in wet painting techniques and work on lifting and beginning & paper preparation. Quality papers, paints, and brushes will be provided.

Time: 5-7pm

Location: Iron River Community Center

Instructor: Mimi Crandall, local artist

Max Participants: 12

RAISING & SHOWING POULTRY 101

Project: Poultry **Ages:** 8-18 **Date:** Saturday October 22nd **Cost:** free

Join us for an information session on everything chickens. The focus will be on the 4-H Poultry Project and will cover everything from selecting and caring for chicks, caring for and breeding poultry, preparing for a show, and showmanship. There will be time to answer specific questions and to interact and work with live poultry. If you are new to the 4-H Poultry Project or just want to learn more and improve your skills, this class is for you!

Time: 5-6:30pm

Location: Iron River Community Center

Instructor: Rowenna Janisch, 4-H Leader

Max Participants: 20

MAKING A FRENCH APPLE TART

Project: Food & Nutrition **Ages:** 10-18 **Date:** Thursday October 27th **Cost:** \$5

In this course we will learn basic French patisserie techniques. Each participant will create and go home with a beautiful ready-to-bake apple tart. Participants will mix and roll out a tart dough by hand and learn about other French pastry doughs, make a basic pastry cream, go over filling options and design, and create a finishing glaze. Ingredients will be provided but please bring your own rolling pin, cutting board, peeler, mixing bowl, and paring knife.

Time: 5-7pm

Location: Chequamegon Food Co-op
Community Kitchen- Ashland

Instructor: 4-H Leader Kaylie Lukas

Max Participants: 16
