**We Need Your Help!**

**Searching for more 4-H Project Leaders**

Did you know you do not need to be an expert in the subject matter to be a project leader? If you are a parent with 4-H members, becoming a 4-H project leader could be a great way for you to explore the projects your children are interested in along with a small group of their friends and peers.

We can provide training, curriculum, and guides to get you started. Please reach out to the 4-H office and we can provide more information!
