

Congratulations to our 2023 4-H Senior Scholarship Recipients!

The Bayfield County Office & 4-H Leaders Association wishes you the best in your future studies!

Brielle Mesik

Brielle is the president of the Pine Creek 4-H Club & Bayfield County 4-H Market Sale and has served as a county 4-H Ambassador since 2018. In the fall she will be attending UW River Falls and studying veterinary science. She hopes to go on to become a large animal veterinarian.

Brinley Tonn

Brinley is a member of the Whispering Pines 4-H Club and has been a teen leader for the county's horse project for several years, working with younger youth and their horses prior and during the fair. In the fall Brinley will be attending UW Stout and will be studying Environmental Science.

Paige Tuura

Paige has been an active member of the Gitche Gumee 4-H club since she was old enough to be a Cloverbud and has served as one of our county 4-H Ambassadors since 2018. She has been a part of the 4-H rabbit project for the past 8 years, and at the fair you will probably find her in the rabbit barn with her pet rabbit Bucky where she enjoys educating younger members about rabbits. Paige will be studying phlebotomy at Lake Superior College this fall.
