Help needed at the 4-H Food Booth!

Help needed this Sunday

7/16

1-5pm!

Food Booth Cleanup

Help us to get the booth ready for the fair.

RSVP to Kaylie- 4-H Office

As you may know, the Bayfield County 4-H Leader's Association coordinates a volunteer run food booth at the Bayfield County Fair each summer. This is the largest annual fundraiser for the Bayfield County 4-H Leader's Association.

The funds raised the booth fund scholarships & trips for our 4-H members, funding for club and project based activities, and annual events like 4-H Summer Camp & The Cultural Arts Festival.

Each club works 1-2 3 hour shifts during the fair depending on club size. If you have not already, please get in contact with your Club Leader so that you can coordinate with them to get on the shift schedule.

Not able to work during your club's shift? Let us know, there are other clubs that may need additional support during their shift!

Notes from the Fair Office:

- Did you miss the fair entry deadline? No problem! The fair office has extended the deadline and will continue to accept new fair entry forms, additions, and changes through August 1st! If you are a 4-H club member, please remember to indicate this on your form.

CANSKI is a 4-H Club too! Remember that anyone who enters gets a free 4 day pass to the fair this year (kids and adults). Entry options and a fillable entry form are located at the fair's website:

<https://www.bayfieldcounty.wi.gov/255/Exhibitor-Information>

- Pullorum testing is required for all poultry exhibitors. Testing will take place at the fairgrounds on August 1 from 4-7pm.

- The Fair needs your help! We need volunteer ticket gate workers and exhibit hall security volunteers. You will receive a free daily admission pass for 3 hours of volunteering, and a full season pass for 6 hours of volunteering. Plus, you will receive \$5/ hour worked to go towards your 4-H club or non-profit organization of your choice! More info at:

UW Extension Youth Tractor Safety Course

Is my child ready to operate a farm tractor or farm machinery? This can be a hard question for many parents/guardians to answer. While as a parent you may have started to drive at an early age, your child's development, and work task the child is being asked to complete, needs to be considered.

The Wisconsin Youth Tractor & Machinery Safety Certification Program is designed to meet requirements established by the US Department of Labor, pertaining to special provisions made for the employment of youth ages 14-15 on farms not operated by their parents. In addition, Wisconsin Act 455 provides specific provisions for tractor operation by 12-13 year olds.

This summer Extension is offering a virtual training session from August 7-11 that is followed by an in-person testing session. Youth will select a morning or afternoon testing session at the location of their choice.
