Friendly Valley 4-H Happenings  
Submitted by: Brooklyn Benson  
Full article at our [Club Corner](#)

The Friendly Valley 4-H club had been busy and active. In May we wrapped up our service projects with our annual roadside clean up. It was refreshing to notice this year that there seemed to be less garbage along the roads near Maki road and Washington Ave. We gathered afterwards for a meeting and meal.

Space camp was of great interest for several members of our club and we were able to have 4 kids go to Alabama in April (Picture above). They had a great time and had a lot to share.

In June, 2 of our members represented our club in Madison for the career exploration camp Summer Academy. It was a valuable experience intertwined with fun, service and learning. 4-H camp was also well attended with campers and helpers.

Our club is extremely thankful for all the work and time and money that goes into making these experiences available to us. Our club is looking forward to sharing our experiences and offering thanks for the opportunities at the annual awards banquet. We hope to see you there.

The Fair is up next. We are all excited to show and exhibit our projects and attend the various activities the fair has to offer. We got together in June to get our fair booth ideas nailed down and had a work day to prepare. Soon we will gather to work the food booth, assemble our club booth and register our projects. What a great way to end a very active and service filled Friendly Valley 4-H club year. SEE YOU AT THE FAIR!

**Help needed at the 4-H Food Booth!**

As you may know, the Bayfield County 4-H Leader's Association coordinates a volunteer run food booth at the Bayfield County Fair each summer. This is the largest annual fundraiser for the Bayfield County 4-H Leader's Association.

The funds raised at the booth fund scholarships & trips for our 4-H members, funding for club and project based activities, and annual events like 4-H Summer Camp & The Cultural Arts Festival.

Each club works 1-2 3 hour shifts during the fair depending on club size. If you have not already, please get in contact with your Club Leader so that you can coordinate with them to get on the shift schedule or sign up [HERE](#).

**Not able to work during your club's shift? Let us know, there are other clubs that may need additional support during their shift!**

**2023 4-H Food Booth Shift Schedule**

Thursday	Friday	Saturday	Sunday
	11:00 – 1:30 pm <b>Drummond Explorers</b>	11:00 – 1:30 pm <b>Ino Valley</b>	11:00 – 1:30 pm <b>Whispering Pines</b>

	7:00 – 10:00 pm <b>Pine Creek</b>	7:00 – 10:00 pm <b>Gitche Gumee</b>	

**Notes from the Fair Office:**

- Did you miss the fair entry deadline? No problem! The fair office has extended the deadline and will continue to accept new fair entry forms, additions, and changes through August 1st!

CANSKI is a 4-H Club too! Remember that anyone who enters gets a free 4 day pass to the fair this year (kids and adults). Entry options and a fillable entry form are located at the fair's website:

<https://www.bayfieldcounty.wi.gov/255/Exhibitor-Information>

**Upcoming Events**

**Aug 1** → Pullorum Testing 4-7pm @ the fairgrounds

**Aug 10-13** → Bayfield County Fair

**Sept 1** → Beginning of a new 4-H Year!

Time to reenroll on [4-H Online](#) and choose your new projects!

**Sept 1** → Club Financial Reports & Audits Deadline

This applies to all clubs with checking and savings accounts.

Do you have club news or updates, articles, or resources to share? Please email them to [Kaylie.Lukas@wisc.edu](mailto:Kaylie.Lukas@wisc.edu). I'll be happy to include them in this newsletter.
