Ceramics Classes with Glory

This year 4-H Leader Glory Bizub will again be teaching a 4-H ceramics series.

There are two options, or you can do both! Open to all 4-H members 3rd grade and up, classes are held

Monday nights from 6-7:30pm at Glory's home studio off Hwy 2 in Ino.

Youth will choose from a variety of items to glaze, and will learn all about glazing techniques. Classes are free but all ceramic

items will be paid for and taken home to get ready for the fair. Items vary by cost, expect to spend \$10-20.

Interested? Please contact Glory at 715-746-2311 to sign up.

Start a 4-H Record Book!

Interested in starting a record book this year? A 4-H Record Book is a great way to keep track of what you do in 4-H through the years and can serve as an excellent resource in your future. Record books help to teach youth organizational and record keeping skills, and also help youth to set goals and track progress on those goals. All of the information you need to create a 4-H Record Book along with [printable forms](#) are located on our [website](#). Many clubs provide the needed papers each year, and you can always contact our office and have us print forms and mail them to you.

Permanent record turn-in

Did you know that all 4-H members are encouraged fill out a [permanent record](#) each year? Even if you didn't complete a full record book, you can still turn in a [permanent record](#) to your club organizational leader to keep track of all that you've done in 4-H. When you fill this out and turn this into your club organizational leader you accrue points and can receive different achievement awards through the Bayfield County 4-H program. These awards are handed out at our fall 4-H Awards & Recognition Dinner each year.

4-H Leaders Association Elections 2024: President & Secretary

Are you a parent or 4-H volunteer looking to get more involved in the Bayfield County 4-H program? Please consider running for one of our officer positions. Elections will be held on Monday, November 18th. Please get in contact with the 4-H office for further details.

We need project leaders!

If you are the parent or guardian of a 4-er, please consider becoming a 4-H project leader. Our project leaders are what really make our 4-H program thrive. You do not need to be an expert in the subject matter, all that's needed is your willingness to meet with a small group of youth and lead a few (or more) project meetings throughout the year. We need project leaders in all clubs and subject areas. This is a great way to get more involved with one of the projects your child is passionate about and learn along with them. Training, meeting ideas, curriculum, and resources are provided. To become a 4-H project leader please get in contact with our 4-H office.

Cedar Crest 4-H Flavor Contest

Cedar Crest Ice Cream and the Wisconsin 4-H Foundation are inviting Wisconsin 4-H clubs to participate in the Cedar Crest Ice Cream 4-H Flavor Creation Contest. Clubs can submit up to five entries, each proposing a new ice cream flavor and name. Five finalists will be chosen, each receiving an ice cream party, with one grand prize winner also receiving \$500 and having their flavor produced as a Cedar Crest Ice Cream Feature Flavor for July. Entries are due by November 15.
