Wisconsin Rural Regional Housing Summit Series - Hillsboro

May 6, 2025

This series of regional workshops is intended to build local capacity, facilitate regional partnerships, and strengthen local connections to state and federal agencies. Presenters will review data, strategies and case studies that provide direction for rural communities to increase housing availability and access. Each event will be tailored to address local issues of concern with formal presentations, panel discussions, networking opportunities, and resource takeaways. These events will take place over two years and will include four regional events: Ashland, **Hillsboro**, Lac du Flambeau/Rhineland, and Wisconsin Rapids/Stevens Point.

DRIFTLESS SPONSORSHIP LEVELS

Your financial support for the **Hillsboro** event will ensure a high-quality workshop that will serve the communities of the Driftless Wisconsin Region. For your investment, your organization will have the opportunity to provide information about your product or services, network with other presenters and attendees, and advance the important work of fostering new housing development in the heart of the Driftless Region.
